

GF-AM-942-B

Petersham Lanyard With Snap Clip

Need to know:

- Includes Sublimation on Both Sides (setup fee applies)
- Full Coverage artwork needs to have 2.5mm bleed on each side (top and bottom)
- Please note logos on side 1 will not align 100% with logos on side 2
- Logo positioning at the clip will be inconsistent or cut off.
- Due to lanyards manufactured in-house being produced in strips, we only accept step and repeat artwork with no clear start and end point.
- Artwork with a Black background the text line width should be 0.7mm.
- Texture of item will affect the print, especially fine detail.
- Minimum Order Quantity: 100
- Please note that the spacing/boarders will be inconsistent.
